

In 2024 Lent begins on February 14 and ends on Easter Sunday, March 31. Use a coin to scratch off a different prayer each day of Lent.

Scratch-Off Prayers for Lent

Lent is a solemn season of 40 days beginning at Ash Wednesday and leading up to Easter, excluding Sundays. In Lent, we remember when Jesus was out in the wilderness for 40 days, and we use this time to prepare ourselves for the mystery of Easter. Each day in Lent, use a coin to scratch off a prayer prompt, say a prayer, and conclude with "Amen!"
